HOT STUFF!

- **FROM YOUR BOOKING CZAR: Do not go to the college!** Singout in Ormond! We'll be singing at Earl's condo on **Tuesday, April 21, 2009**. Eat at 5pm, sing at 6 pm. Costume is **Gold shirt [out]**, black pants, black shoes and socks (Same as the Shores). We need everyone. In the meantime, keep looking for more singouts! Civic organizations, churches, etc. Have them contact me if they are interested! Thanks, **Myron**
- **FROM THE PRESIDENT'S DESKTOP:** Time's a'wasting, guys. **KEEP WORKING!** Remember **TICKETS, ADS, DOOR PRIZES, and more singers!** Thanks, **Bill**
- **FROM OUR DIRECTOR:** We will meet at the rehearsal room after the food and singing at Earl's condo. We will go from the beginning of the show and sing through the first half and see how it goes. Let's not use any written music if we can. I am a little behind in that area but maybe you will cut me a little slack. The show is coming soon and I believe it will be a great show. Let's sell those tickets. I am having a fun time with this show and I hope you are too. I appreciate everyone's attitude and participation in this year's annual show. See ya. Let's remember Adrian and his family in our prayers and be ready to help with that family when called upon to do so. Thanks, **Art**
- **ASK THE BOZ: Bob Stump asks: What is martinizing and why does it last 24 hours?**
 Dear B.S. (and that is what this answer is, appropriately), There can be many responses to this question, three of which follow. You could be referring to The Feast of St. Martin's Day (Martinstag in Germany) or Martinmas whose celebration starts on the eleventh hour of November 11, also called the feast day of St. Martin of Tours. Since every day lasts for twenty-four hours, this would apply. Another possibility is the method of on-premises dry cleaning invented by a New York chemist Henry Martin of Buffalo, NY, in 1949 (next day dry cleaning?). Or the act of chasing a guy named Martin by a bunch of "Martin-crazed females."
- **FROM YOUR MUSIC V.P.:** Hello Chorus Members. No more need to "encourage" you to learn your music..."cold". We all know what we must do to make our show as professional as possible. Let's do it. With a smile. **P.S.** Our Brother Adrian is going through a critical period in his life. Your Prayers are going to help Adrian and his family get through this period. Thank You. **Bob**
- **ASK THE BOZ (again): Longing for new members asks: Can you list some ways for which our guys can use so they can get a "man of note" pin and our chorus can double in membership by the end of the year?**

Dear Readers, as is my wont from time to time I throw a question out to you. This is one of those times. Please wrack you brains and reply with some constructive answers to Longings query. You may respond directly to ATB at trboz@cfl.rr.com **Boz**

Wen I can hardly spell?
