HOT STUFF!

- **FROM YOUR BOOKING CZAR:** Got singouts? Let me know. We need more singouts. **Keep the Member Update forms coming.** One for Sunshine and one for our Secretary. Need one? See me. Thanks, **Myron**
- **FROM YOUR PRESIDENT:** I wanted to take this opportunity to tell you how PROUD I was of the chorus' gig up at Ormond-By-The-Sea condo last week! Being in the middle of my "med-free" week, it was a great feeling to be able to experience the chorus in action, especially in front of such a responsive crowd. Joel also wanted me to send his appreciation for the chance to sing with you. The food was great, the crowd was wonderful and the entertainment was super (y'all adapted well having to go from an outside concert to a more intimate inside performance). As I shared with some of you, my CT scan was a bit of a mixed grill. The original cancer site has shown signs of decreasing in size. There did appear, however, to be an area of soft tissue in another part of the colon that couldn't be identified. Today (Monday) I am having a PT scan done which will be able to clarify as to whether the soft tissue is nothing more than benign tissue or if the cancer has metastasized to another area of the colon. Regardless of the outcome, we have a plan of attack. I should know the PT results no later than Wednesday when I go in for my next chemo treatment. Since last Wednesday, I've been able to fatten up thanks to my appetite coming back and my neuropathy subsiding. After Wednesday, I'll be pretty much useless for the next 7-10 days. It's a roller coaster ride, no doubt about that. Again it was great seeing and hearing the Surfside Chorus last week! I'll follow up with any results as soon as I get them!
Adrian
- **FROM OUR DIRECTOR:** Thank you, to Earl, for the sing out last Thursday. It was well planned and carried out very well. So the slight rains came, I still had a great time and would love to do it again when Earl feels the time is right. Thanks also to the guys who came and sang. You did a good job and this is what we need to be doing every month or two. All parts were represented and the crowd was really alive. In case you weren't able to be there, we sang to an overflow crowd. They were standing outside the room. It was a full house concert. The food was great. Thanks, Earl. The plan is to continue to sing songs from our repertoire and introduce a couple of new songs as well. Our next singout may need to be longer than our last. Thanks, again, and let get some more singouts. Think guys, they are out there. A big thanks to Adrian and his brother Joel for being there with their support vocally and in person. What a great lift for each of us. Continue to pray for our brother Adrian and his family. Thanks guys, **Art**
- **NEXT BOARD MEETING:** The next Board meeting will be **August 5th** in the D.B.C. Choral room. We will begin at **5:30 P.M.** Have something for the Agenda? See a Board member. All members are invited to attend Board meetings. Agendas, minutes and other reports are available in the Members Only section of Chapter web site: surfsidechorus.org.
